

**TEXAS FINANCIAL EDUCATION ENDOWMENT (TFEE)
GRANT PROGRAM INSTRUCTIONS
FY 2016 - 2017**

Background

TFEE was developed under the authority of Chapter 393 of the Texas Finance Code during the 82nd Legislature. Section 393.628 of the Texas Finance Code provides that TFEE will be administered by the Finance Commission (FC) to support statewide financial capability and consumer credit building activities and programs.

Sec. 393.628. Texas Finance Code. TEXAS FINANCIAL EDUCATION ENDOWMENT. (a) As part of the licensing fee and procedures described under this subchapter, each credit access business or license holder shall pay to the commissioner an annual assessment to improve consumer credit, financial education, and asset-building opportunities in this state.

Financial Capability is a set of consumer behaviors that lead to long-term, tangible improvements in financial health. The TFEE Grant Program welcomes funding requests from organizations that strive to increase and promote financial capability of individuals, encouraging personal financial education and responsibility within the state of Texas.

Qualifying applicant program objectives must align with the following:

- 1) Offer financial capability and educational services or programs (for minimal or no cost)
- 2) Meet needs of the “Financial Education and Capability” community
- 3) Support strong community interest in financial capability
- 4) Identify the measurement tools used to track, monitor, and evaluate success
- 5) Demonstrate evidence of ability to administer funds and implement programs
- 6) Demonstrate how grant funds will be used to provide benefits that coincide with the stated mission of the TFEE, “*Support statewide financial capability and consumer credit building activities.*”
- 7) Demonstrate sustainability after grant funding is discontinued
- 8) Provide clearly defined and achievable objectives, activities, and progress indicators

TFEE Priorities for Funding

TFEE funds are awarded to organizations that implement the following priorities:

School and youth based financial education

- Kindergarten through 12th grade financial education programs that implement statewide TEKS requirements, including train the trainer programs
 - Educational materials seamlessly integrate personal finance principles into existing curricula
 - Comprehensive professional development programs in personal financial education for kindergarten through 12th grade teachers and administrators
- Incentive programs for youth or college savings

- Provide information and incentives to match savings for low-and moderate-income families to save for their children’s education
- Children or youth savings program
- Adult financial education and capability
 - Increase credit scores, personal savings and reduce debt of low-income, payday, and auto title customers
 - Savings programs and incentives
 - Innovative strategies for long-term financial empowerment, including parenting for financial capability
 - Encourage liquid asset building
- Financial Coaching

Program emphasizes changes in financial behaviors over time, based on an ongoing relationship between the coach and the client.

Key elements include:

 - a focus on long-term outcomes
 - an ongoing, systematic, client-driven, collaborative process for assisting clients to change behaviors
 - support to practice new behaviors and financial well being
 - building skills and teaching content based on the client’s unique needs and goals
 - empower clients to become financially independent and secure
